## **OUR HOME**

We have grown roots in China, building an extensive supply base over the past ten years. With more than 80 containers a month supplied worldwide, coordinated from our Shanghai based headquarters, Allingham has secured its place as a reliable and trusted supplier.

## **OUR INNOVATION**

Our passion for innovation and excellence has inspired our expansion into Vietnam, where we introduced our own hard goods range to the world, and included the VIFA furniture fair to our portfolio.

## **OUR EDGE**

Collaborating with international artist and designer Kelly Tuck, Allingham Home showcases an annual range of style and elegance. launched at the Shanghai furniture fair alongside her original paintings, our range embodies timeless sophistication.

A photograph of a living room. In the foreground, a round, dark-colored coffee table with a brass or gold metal frame sits on a textured, light brown rug. Behind it, a light-colored sofa is visible, adorned with several pillows and a white, textured throw blanket. To the left, a white bowl and a grey bowl are on a surface. In the background, a large window with white frames looks out onto a green, leafy landscape. The overall atmosphere is calm and inviting.

# BALANCE
